

ARBOR DAY SEEDLING PROGRAM

CELEBRATE OUR CHILDREN  OUR TREES  OUR FUTURE

What is the seedling program?

Every spring, the Massachusetts Tree Wardens' and Foresters' Association (MTWFA) sponsors an annual packaged seedling program. The seedlings are a popular Arbor Day promotion tool for municipalities, garden clubs, businesses, arborists and other interested individuals and organizations.

Net proceeds from the seedling program support the MTWFA Scholarship Fund. Scholarships are awarded annually in March to students enrolled in arboriculture and urban forestry programs statewide. For more information about our scholarships, please visit www.masstreewardens.org.

How do the seedlings arrive?

The package includes seedling trees and printed plastic bags with planting instructions. Bags are shipped separately, usually in early April for orders scheduled for delivery during Arbor Day week.

Upon delivery, the seedlings can be placed in the plastic bags along with potting soil or peat moss, for distribution to school children and other Arbor Day participants.

Seedlings are shipped via UPS. Please note that UPS does NOT deliver to P.O. boxes. Someone should be present when the seedlings arrive, especially during warm weather.

Seedlings must be delivered by May 15th.

How are the seedlings priced?

Our seedlings are small, 2-year-old evergreen and deciduous trees. Seedling size and prices vary. See the price list on reverse side for more details.

All seedling prices include bags, ties, shipping and handling.

What are the minimum orders?

Minimum order *for each species*: **100**

Minimum order for pre-bagged seedlings: **300**

How can you distribute the seedlings?

Check with your local school department or municipality to obtain approval and an estimate of the quantities you will require. Distribution of the seedlings may be accompanied by a ceremony or presentation promoting Arbor Day, trees, and their value to people and the environment.

How do you place an order?

- Fill out the order form on the reverse side.
Only orders on the form will be accepted.
- Full payment is required with each order
 - Checks: payable to MTWFA
 - Purchase orders: we will invoice you
- We require at least 10 days between the time we receive your order and when the seedlings are delivered to you. Please plan accordingly.

Early orders will increase your chance of getting the seedling species you request. All orders must be received by April 15, 2018

ARBOR DAY SEEDLING PROGRAM

1913 - 2013
2018
100 YEARS & GROWING

Arbor Day/Earth Day in April is an annual observance that encourages tree planting and ongoing tree care. Historically, it is a day to celebrate the importance of trees and to promote the benefits that trees provide for people and the environment.

Arbor Day is a great opportunity to advertise the message of trees—by supplying the gift of seedlings for both children and adults, and by encouraging them to plant and care for trees. In this brochure you will find detailed information about the MTWFA Seedling Program and an order form.

***Help your community
Encourage everyone to get growing!***
