About the Western Mass. Group

Beginning in the mid-1940's, various regional groups with common interests have been affiliated with the Massachusetts Tree Wardens' and Foresters' Association. These satellite groups were founded to consider subjects of local interest and share solutions to common problems. Widespread geographical locations made it easier for some to participate locally rather than at statewide meetings. The initial meetings have shown there is sufficient interest to revive the western Massachusetts group, to include those in the four western counties of Berkshire, Hampden, Hampshire and Franklin, and maybe some of Worcester County as well. This group encourages an ongoing dialogue among tree wardens and others, including municipal, commercial and utility arborists.

Western Mass. Tree Wardens is a sub-group of the Massachusetts Tree Wardens' and Foresters' Association.

Save the date for our fall meeting: Sept. 25, 2018

DIAGNOSING AND MANAGING EMERALD ASH BORER

**Nicole Keleher, Forest Health Specialist,
Massachusetts DCR**

Learn about the life-cycle and history of EAB in Massachusetts as well as how to identify EAB infestations, methods for monitoring and detection, and EAB treatment and control options. There will be an outdoor demonstration of infestation confirmation techniques.

TREE PLANTING IN THE URBAN ENVIRONMENT

Rachel DeMatte and Sarah Greenleaf, Urban Foresters, Greening the Gateway Cities, DCR

Combat tree canopy loss with successful tree planting. From the selection of species, location, and nursery stock, to tree planting techniques and after care, learn the ins and outs of tree planting and what's worked in Western Mass.

MCA, ISA & Pesticide credits have been requested.
