### About the Western Mass. Group

Beginning in the mid-1940's, various regional groups with common interests have been affiliated with the Massachusetts Tree Wardens' and Foresters' Association. These satellite groups were founded to consider subjects of local interest and share solutions to common problems. Widespread geographical locations made it easier for some to participate locally rather than at statewide meetings. The initial meetings have shown there is sufficient interest to revive the western Massachusetts group, to include those in the four western counties of Berkshire, Hampden, Hampshire and Franklin, and maybe some of Worcester County as well. This group encourages an ongoing dialogue among tree wardens and others, including municipal, commercial and utility arborists.

Western Mass. Tree Wardens is a sub-group of the Massachusetts Tree Wardens' and Foresters' Association.
