Massachusetts Tree Wardens and Foresters Association

WHO WE ARE

The Massachusetts Tree Wardens and Foresters Association was founded in 1913 to provide a forum for professional tree managers to share their concerns and work together for a common cause, the preservation of our community shade trees. Today's Association continues its proud tradition as an organization committed to the protection of our urban and community forests.

Membership is open to tree wardens, foresters, and advocates of tree preservation at all levels.

The activities of the MTWFA are focused on advancing its vision of preservation, protection, and enhancement of urban and community forests.

This includes advocating for

- well-trained, professional municipal tree wardens and foresters
- adequate fiscal resources to manage urban forests
- development of partnerships at all levels to ensure healthy trees and a healthy environment.

MEMBER BENEFITS

- Professional Development Series helps you stay up-to-date in your field
- Annual, two-day winter conference with educational sessions and trade show
- Discounted member rates for all events
- Quarterly newsletter with timely articles
- Opportunities to network with colleagues
- Access to current technical information
- Website with valuable information and links to numerous industry resources
- Arbor Day Seedling Sale to help you spread the wisdom and practicalities of tree planting in your community
- Student scholarships that help support the future of arboriculture
